Chorus & Bridge: F#m, Bm, D, E

SURRENDER

Don't you wanna lie in my arms boy? / I got a lot of love to give you / You got me
on a mission like an envoy / I gotta a lot of kiss kiss for you

(Na na na na) don't wanna sleep tonight / (Na na na na) never need to cry cause
baby

chorus

Everything I want, everything I need, is right next to me / Everything I love,
everything I know, your secrets and pieces / Don't be, don't leave, don't listen to
them baby / No, no don't surrender

Every time we kiss I skip a heartbeat / Get the butterflies when I touch you / I can
tell you know and it is so sweet / Where where I do I go when I'm with you?

(Na na na na), don't wanna waste our time / (Na na na na), never need to cry
cause baby

bridge

Never never need to cry / Never no no never
